RE: Request for Virginia Values Veterans Bronze Certification

Dear Commissioner Galanti,

Scitor Corporation hereby requests to enter the Virginia Values Veterans (V3) Certification Program. We have received the training required to maintain our Veteran Talent Acquisition and Retention Program to meet our future hiring needs. We understand how we will continue to focus our hiring and retention efforts to specifically hire and retain Veterans.

We believe Veterans to include serving Guardsmen and Reservists will play an essential role in the future success of our workforce and will be the future of our business.

Scitor is an engineering services organization with about 1300 employees nationwide. We expect to hire 44 new employees during the period of July 2013 to June 2014 and of which we intend to hire 15% veterans in the state of Virginia. We also pledge to retain those employees for at least 1 year.

We are excited to do our part in the Commonwealth of Virginia to re-capitalize our workforce with Veterans thereby energizing Virginia's economy and being an example of how Virginia Values Veterans.

Respectfully Submitted,
