RE: Request for Virginia Values Veterans Bronze Level Certification

Dear Commissioner Galanti,

Citadel Logic hereby requests to enter the Virginia Values Veterans (V3) Certification Program. We have received the training required to execute a Veteran Talent Acquisition and Retention (Vet Pipeline) Program to meet our future hiring needs. We understand how we will continue to focus our hiring and retention efforts to specifically hire and retain Veterans.

We believe Veterans, including serving Guardsmen and Reservists, will play an essential role in the recapitalization of our workforce and will be the future leaders of our business.

Citadel Logic is an efficiency & effectiveness improvement company that is primarily engaged in the development, integration, and sustainment of C6ISR, UAS/RPA Services, Energy Security & Management, Emergency Management Services, and Logistics in the Small category with intermittent hiring requirements. Over the next year, Citadel Logic expects to hire ten (10) new employees of which we plan to hire a minimum of 10% Veterans. We also pledge to retain those employees for at least 1 year.

We are very proud of the fact that since our founding in September 2009, we have hired a total of eight (8), seven (7) of them are Veterans and we retained three (3) for at least one year. Citadel Logic is more successful because of our Veterans.

We are excited to do our part in the Commonwealth of Virginia to re-capitalize our workforce with Veterans thereby energizing Virginia's economy and being a leading example of how Virginia Values Veterans.

Respectfully Submitted,

Tevan Green
CEO/President

“Increasing our Client’s Effectiveness & Efficiency”
