RE: Request for Virginia Values Veterans Bronze Certification

Dear Commissioner Galanti,

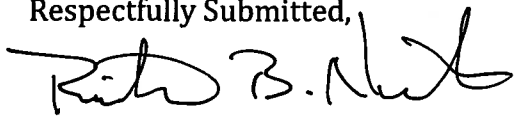

Homeland Security Solutions, Inc. (HSSI) hereby requests to enter the Virginia Values Veterans (V3) Certification Program. We have received the training required to execute a Veteran Talent Acquisition and Retention (Vet Pipeline) Program to meet our future hiring needs. We understand how we will continue to focus our hiring and retention efforts to specifically hire and retain Veterans.

We believe Veterans to include serving Guardsmen and Reservists will play an essential role in the recapitalization of our workforce and will be the future leaders of our business.

Homeland Security Solutions, Inc. is a Federal Contractor in the under-1000 employee category with sporadic hiring requirements. Over the next year, HSSI expects to hire approximately 100 new employees during the period of May 2013 to May 2014 of which we intend to hire 50% Veterans. We also pledge to retain those employees for at least 1 year.

We are excited to do our part in the Commonwealth of Virginia to re-capitalize our workforce with Veterans thereby energizing Virginia's economy and being an example of how Virginia Values Veterans.

Respectfully Submitted,
