RE: Request for Virginia Values Veterans Bronze Certification

Dear Commissioner Galanti,

Advanced Technology Institute (ATI) hereby requests to enter the Virginia Values Veterans (V3) Certification Program. We understand what it means to execute a Veteran Talent Acquisition and Retention (Vet Pipeline) Program to meet our future hiring needs. If we need assistance applying this methodology we know how to request further training. We look forward to focusing our hiring and retention efforts to specifically hire and retain Veterans.

We believe Veterans to include serving Guardsmen and Reservists will play an essential role in the recapitalization of our workforce and will be the future leaders of our business.

ATI is a **(Nationally Accredited Technical School in the over 100 employee category)** in the **(small /enterprise)** category with intermittent hiring requirements. Over the next year, **ATI** expects to hire **4 to 6** () new employees during the period of **August 1, 2013** to **August 1, 2014** of which we intend to hire **20 to 25%** Veterans. **Our intent is to retain** those employees for at least 1 year.

We are excited to do our part in the Commonwealth of Virginia to re-capitalize our workforce with Veterans thereby energizing Virginia's economy and being an example of how Virginia Values Veterans.

Respectfully Submitted,

Campus President
